Have you ever reached a rainbow's end?  
And Did you find your pot of gold?  
Ever catch a shooting star?  
Tell me how high did you soar?  
Ever felt like you were dreaming,  
Just to find that you're awake?  
And the magic that surrounds you,  
Can lift you up, and guide you on your way.

I can see it in the stars across the sky.  
Dreamt a hundred thousand dreams before  
Now I finally realize.  
You see I've waited all my life for this moment to arrive,  
And finally,  
I believe

When you look out in the distance  
You see it never was that far  
ohh no Heaven knows your existence  
and wants you to be everything you are  
ooh theres a time for every soul to fly  
its in the eyes of every child  
its the hope the love to save the world and ohhh we  
should never let it go

chorus

(Yeah Yeah Yeah Yeah Yeah Yeah Yeah)  
I believe in the impossible,  
If I reach deep within my heart (Yeah)  
Overcome many obstacles,  
Won't let this dream just fall apart  
You see I strive to be the very best,  
Shine my light for all to see  
Cause anything is possible,  
When you believe ( I Can see it in the stars across the  
sky)  
Yeah, yeah (Dreamt a hundred thousand dreams  
before)  
Now I finally realize  
You see I've waited all my life for this moment to arrive

And finally  
I believe  
ohhhhhh yeah  
I believe  
Oooooh Yeah Yeah  
(Love keeps lifting me higher)  
I believe in love  
(Love keeps lifting me higher)  
higher higher higher higher
