Share my life  
Take me for what I am  
Cause I'll never change  
All my colors for you  
Take my love  
I'll never ask for too much  
Just all that you are  
And everything that you do

I don't really need to look  
Very much further  
I don't wanna have to go  
Where you don't follow  
I won't hold it back again  
This passion inside  
Can't run from myself  
There's nowhere to hide

Chorus:  
Don't make me close one more door  
I don't wanna hurt anymore  
Stay in my arms if you dare  
Must I imagine you there?  
Don't walk away from me  
I Have Nothing  
Nothing  
Nothing, if i don't have you (you-oo, you-oo, you)

You see through  
Right to the heart of me  
You break down my walls  
With the strength of your love (mm..)  
uhh, I never knew  
Love like I known it with you  
Will our memories survive?  
uhh, One I can hold on to

I don't really need to look  
Very much further  
I don't wanna have to go  
Where you don't follow

I'm holdin' back again  
This passion inside  
Can't run from myself  
There's nowhere to hide  
You're the love I remember forever

Repeat Chorus (2X)  
Don't walk away from me  
Don't walk away from me  
Don't you dare walk away from me  
I have nothing  
Nothing  
Nothing, if I don't have you  
You, if I don't have you
