I would cry, thought no one loved me  
Life was just so unfair  
If I died things would be better  
Maybe no one would care

All alone this ugly duckling  
Hung my head down in shame  
Wondered why I was created  
Till You called out my name

And Lord, You made me  
Just how You wanted me to be  
Shapen in the image of You

Had to fight, this was a battle  
Going on in my mind  
On my own had to survive it  
Was this all to my life?

Didn't think I had a purpose  
Didn't fit in the crowd  
Didn't know You made me special  
And then You picked me out

And Lord, You made me  
Just how You wanted me to be  
Shapen in the image of You

And I'm so thankful  
Somebody told me You loved me  
And now I'm living my life brand new

Now Lord, You made me  
Just how You wanted me to be  
Shapen in the image of You  
You, You, You, You, You

I'm so, so thankful  
Somebody told me You, You loved me  
And now I'm living my life brand new

I'm so glad, glad that You love me

And it's just as I am
