Come On Now  
Listen

Verse One  
Today I decided  
To go and get excited  
I been on the grind and  
Time for me to celebrate all night yeah  
Got to put my MAC on  
Live fresh with my hair done  
Wear the dress you know the black one  
Gonna party til the dawn yeah

Hook  
I feel like tonight's the night  
DJ spin my song all night  
Ladies steppin' out tonight  
Cuz tonight is the night  
And let's go celebrate  
Oh Oh  
I'm feelin myself baby  
Oh Oh  
Love me love me  
Oh Oh  
cuz tonight is the night  
And I'm gon' celebrate

Verse Two  
My life has been a blessin'  
No need for me stressin'  
My attitude is changin'  
I'll never be the same again oh  
As soon as I walked in yeah  
Ooh  
All eyes are open  
I guess cuz I'm show stoppin'  
While they starin' I'll be dancin' all night yeah

I came to have a good time with you  
ooh  
I appreciate the little thing you do

ooh  
Throw your hands up in the air  
ooh  
act like you don't care  
you don't care

Hook  
I feel like tonight's the night  
DJ spin my song all night  
Ladies steppin' out tonight  
Cuz tonight is the night  
And let's go celebrate  
Oh Oh  
I'm feelin myself baby  
Oh Oh  
Love me love me  
Oh Oh  
cuz tonight is the night  
And I'm gon' celebrate
