I found out what I've been missing
Always on the run
I've been looking for someone

Now, you're here like you've been before
And you know just what I need
It took some time for me to see

That you give good love to me, baby
So good, take this heart mine into your hands
You give good love to me, never too much
Baby, you give good love

Never stopping, I was always searching
For that perfect love
The kind that girls like me dream of

Now, you're here like you've been before
And you know just what I need
It took some time for me to see

That you give good love to me, baby
So good, take this heart of mine into your hands
You give good love to me, never too much
Baby, you give good love

Now I, I can't stop looking around
It's not, what this loves all about
Our love is here to stay, to stay

Baby, you give good love, you give
So good, take this heart of mine into your hands
You give good love to me, never, never too much
No, no, no, no, you give good love to me

You give good love, baby
You give good love, darling
You give, you give, give it
You give good love, wanna
You give good love, baby
You give good love, darling
You give, you give, give it
