You are my angel
Come from way above to bring me love
Her eyes, she's on the dark side
Neutralize every man in sight

To love you, love you, love you
To love you, love you, love you
To love you

You are my angel
Come from way above

To love you, love you, love you
To love you, love you, love you

Her eyes
She's on the dark side

I love you, love you, love you
To love you, love you, love you
To love you, love you, love you
To love you, love you, love you

To love you, love you, love you
To love you, love you, love you
To love you, love you, love you
To love you, love you, love you

Where'd you go off higher now, baby
It's been so long
Where'd you go off higher now, baby
It's been so long

Where'd you go off higher now, baby
It's been so long
Where'd you go off higher now, baby
It's been so long

Where'd you go off higher now, baby
It's been so long
Where'd you go off higher now, baby
It's been so long
