lord knows i must need a savior  
i thought i would never waver  
turning backwards you got straighter  
and nothing works today  
and i will say with all my might oh

i'm imperfect  
and uncertain  
i cant make this work  
if you won't take my call  
we get colder now that we're much older  
but we're also bolder  
and I'm sorry for it all

what's this business of fake forgiveness?  
what's my punishment from you?  
i won't be ignored forever  
though you'd like to think you do  
and nothing works today  
and I will try with all my might and i

i'm imperfect  
(i'm imperfect)  
and uncertain  
(and uncertain)  
i can't make this work  
(i cant make)  
if you don't take my call  
we get colder now that we're much older  
but we're also bolder  
and I'm sorry for it all

i'm imperfect  
(i'm imperfect)  
and uncertain  
(and uncertain)  
i can't make this work  
(i cant make)  
if you don't take my call  
we get colder now that we're much older  
but we're also bolder

and I'm sorry for it all

i'll be here

i'll be here

i'll be here
