This could be the very minute  
I'm aware I'm alive  
All these places feel like home  
With a name I've never chosen  
I can make my first steps  
As a child of twenty five

This is the straw, final straw  
In the roof of my mouth  
As I lie to you  
Just because I'm sorry doesn't mean  
I didn't enjoy it at the time

You're the only thing that I love  
Scares me more every day  
On my knees I think clearer  
Goodness knows I saw it coming  
Or at least I'll claim I did  
But in truth I'm lost for words

What have I done?  
It's too late for that  
What have I become?  
Truth is nothing yet

A simple mistake  
Starts the hardest time  
I promise I'll do anything you ask  
This time

A simple mistake  
Starts the hardest time  
I promise I'll do anything you ask  
This time
