He took me over, took me under
hollowed in my soul
he spoke with silence, kissed with fire
far i didnt know
he climbed into a sleazy love song
i heard on the radio

and deeper dug his hook in me
the hook that somehow set me free
with blinders on, i finally see
and feel how deep it can be

and deeper dug his hook in me
the hook that somehow set me free
with blinders on, i finally see
and feel how deep it can be

he held me dangled next to a river
swim over so bad
he flew me to a sky that melted
and fed me on his hands
he knew i meant it, i knew he felt it
was no accident

and deeper dug his hook in me
the hook that somehow set me free
with blinders on, i finally see
and feel how deep it can be
and deeper dug his hook in me
the hook that somehow set me free
with blinders on, i finally see
and feel and see and feel and see
and feel and see and feel and bleed
and see and feel and bleed
and see and feel and bleed
and see and feel and bleed and ooh

got inside, my mind went crazy
every move he made
he gave me back the innocence i'd lost
along my way

and deeper dug his hook in me
the hook that somehow set me free
with blinders on, i finally see
and feel how deep it got me

and deeper dug his hook in me
the hook that somehow set me free
with blinders on, i finally see
and feel and see and feel and yes

and deeper dug his hook in me
the hook that somehow set me free
with blinders on, i finally see
and feel and see and feel and see
and feel and see and feel and see
and feel and see and feel and see
and feel and see and feel and see
and feel how deep it could be
yeah
