"Greater Lights"

(performed by Charlotte Martin)

Memories
Keeping me
My steps have said
You must go through every door
Where you are led

Silences hangs
In my fear
Daylight fades
And I know you will be here
Melting our ground

In never ending shadows
I'll follow you to greater lights
Burn through me
Around me
I'll follow you to greater lights

Words will fly
Beyond us
Waking now
No longer numb to the sound
Of every voice

In never ending shadows
I'll follow you to greater lights
Burn through me
Around me
I'll follow you to greater lights
In never ending shadows
I'll follow you to greater heights
Burn through me
Around me
I'll follow you to greater lights
I'll follow you to greater lights
I'll follow you to greater lights
I'll follow you to greater heights

I'll follow you to greater lights
