Burn me a bridge
Burn me a fire
Rest something in my empty hands
Fill it with light
Fill me tonight
I figured that you would understand

Up until dawn
Sweat on your palms
Feeling you pour me again
Under again
Under my skin
Guiding me through this hall of fear

Sweet things
Build on these
Sweet things
Build on me
Sweet things
Build on these
Sweet things
Bring to me

Sing in my head
An appertain
Circling momentum
Round and round
Quenching my thirst
First for my thoughts
Second to fill my silent mind

Sweet things
Build on these
Sweet things
Build on me
Sweet things
Build on these
Sweet things
Bring to me

Sweet things

Build on these
Sweet things
Build on me
Sweet things
Build on these
Sweet things
Bring to me
