I don't think I like rejection of my little girl affections it's  
not dope  
I've been crawling on the walls just hoping you will call  
while I've got hair  
And teeth  
It's not that I don't have a life  
Maybe it's sad I'm sort of glad that I'm

I'm normal please date me  
I won't call you half as much as you call me  
I'm normal please date me  
I have only stalked a couple guys but they were not  
about surprises  
Don't run away cause baby I'm your dream

I have got a lot of hobbies some of which include phone  
calls that hang up  
Quick- click  
I was somewhat immature you won't believe how  
getting dumped makes  
Girls grow up  
All girls that say they don't obsess are full of shit and  
such a mess but

I'm normal please date me  
I won't call you half as much as you call me  
I'm normal please date me  
I have only stalked a couple guys but they were not  
about surprises  
Don't run away cause baby I'm your...

There is no restraining order that will separate our love  
that's ever true  
Even if I can't convince you my probation officer is kind  
of cute

I'm normal please date me  
I won't call you half as much as you call me  
I'm normal please date me  
I have only stalked a couple guys but they were not  
about surprises
