A dog named elvis ? bites
dj ? sheep ? eyes
i learn to clean it before it ?
uriah's falling underneath

some air smells bad or stale
i knew you hate me
knew you hate

i can't die again
i can't lie again
i can't love again
i can't run again

where is the cure?
anything cure
communion of hate
twisted ?
dreaming in red
answer in head
where is the cure?
where is the cure?

too many drugs - i'm out of veins
the pressure drops each time you rain
i learn to heat it before it swells
i learn to suck it before it wells

some girls are thin or fat
learn to love me like that

i can't die again
i can't lie again
i can't love again
i can't run again

where is the cure?
anything cure
communion of hate
twisted ?
dreaming in red
answer in head

where is the cure?
where is the cure?

where is the cure?
where is the cure?
