There was a time when I thought love was just a fairy
tale
Tearful nights, an empty soul, and no one to call my
own
Then came you who changed my life
Now I know that love is a beautiful thing

Chorus:
Beautiful you
Strong and true
I love you
Beautiful you
Tried and true
I love you
Beautiful you

I lost my smile and found loneliness and heartache all
at once
I'm worn into the image of myself alone with no one like
you
'cause of you love brought me back my smile
Now you know that my love is forever yours

Chorus

When I had pain you came and made it alright, ohhh
When I cry you dry my tears

Beautiful
Beautiful you
Beautiful
Strong and true
Beautiful you, oh baby
Beautiful you
Tried and true, yeah

Chorus 2x
