Just breathe

Remember to breathe

Just breathe...

Verse 1:

All around me, everywhere

Seems like nothing but despair

Confusion, disillusion

Hanging in the air

Global melancholy smears

a stain across the sky

Somewhere right now someone's crying

And I just don't know why

Chorus:

But I gotta believe

That this ain't the end of the road

It's all a bad dream

Until you believe

And you gotta know

The story is still to be told

Just breathe

Remember to breathe

Verse 2:

I kept my four leaf clover

Clutched tightly in my hand

The things I thought were useful

I just don't understand (I don't understand)

So I clicked my heels a thousand times

And opened my eyes

I just don't know why

(Don't know whyyyy, I can't breathe

Don't know whyyyy, I can't breathe)

With all that's going on around me

I just don't know why or

How my heart remembers

To keep on lookin' t'ward the sky

But you gotta believe

That this ain't the end of the road

(It's gonna be alright)

It's all a bad dream

(what you see)

Until you believe

(gotta believe)

And you gotta know  
(you gotta know)  
The story is still to be told  
(still to be told)  
Just breathe  
Remember to breathe  
You gotta believe, (gotta believe) that this ain't the end  
of the road, it's gonna be alright it's all a bad dream  
(can't you see)  
until you believe (gotta believe) and you gotta know,  
(you gotta know) the story is still to be told (still being  
told) just breathe, remember to breathe, (remember to  
breathe)  
breathe, gotta believe me, (gotta believe me) breathe  
(gotta believe, gotta believe) ouu, ouu, ouu----ouu, ouu,  
ouu, ouu, ouu, ouu  
it's gonna be alright... ouu, ouu, ouu (remember to  
breathe) hey yea... everything is gonna be alright, it's  
gonna be alright, yea yea remember to breathe,  
remember to breathe yea, (gotta believe me)
