Dance with me, uh baby

Dance w/ me, uh

Dance w/ me, uh

Dance w/ me, uh

{repeat 1x}

Chorus:

Dance with me baby right now

I wanna feel your body movin' round and round, side to side, up and down

Dance with me baby right now

I wanna feel you body movin' round and round, side to side, up and down

(robbie)

Move that body, work that body, but don't you hurt nobody

Out on the floor, let's give 'em some more

Now you're goovin', keep it movin', don't care what dance you're doin'

Long as it's funky, gotta be funky

(daniel, rina, criss)

Pre-chorus:

Come on let me dance with you, show you somethin' brand new

I wanna see you work it out, show me you can break it down

Can you keep up with me, come on and let me see

I wanna rock right now babe, betcha I can show you how baby

(all)

Chorus

(robbie)

Dj drop it, just don't stop it, so the crowd can rock it

Doin' it right, keepin' it high

Ain't no fakin', body's shakin', long as we keep it bangin'

Feelin' the groove, makin' you move

(daniel, rina, criss)
