So Here I am once more in my private hell again  
Hunched foetal in darkness, trying to soothe the pain  
I've killed myself a thousand times before  
And if it would ease you pain  
I'll kill myself a thousand more

So I'll die again

[Chorus:]

Take my hand

Take my soul

Take my wretched life and make me whole

Take my lies

Take my truth

Take them all away as I die before you

I scar you deep inside, I only leave you hurt  
My black embrace only smoothers you with dirt  
I hold the shining blade close to the vein  
To cut me off from myself, to kill all the pain

[Chorus]
