So there's this girl I want her badly  
She has the best looking face I've ever  
Seen. I wonder if she thinks I'm cute I  
Wonder if she even knows I'm here. If not  
Then I need to talk to her cause she's so cute  
I don't want to let this one pass I don't even want  
To let her leave my site. oh look at her. But there's  
Only one bad thing... (sigh)

(Chorus)

She... is a dirty lesbian  
Been around the block a few times  
Every girl I talk to says I've been  
With her a few months back. But. this girl  
Is really sexy
