"Endless Sleep"

My time has gone
It won't come again
It seems so distant
When...
It lay ahead of me
The path of life's infinity
All those years of misery

[Chorus:]

I look to the stars and watch one fall
I close my eyes and pray they'll call
Can't they see, my wish is deep
All these years longing for endless sleep

My time has gone
It won't come again
The time of innocence
When...
It lay ahead of me
A life of opportunity
The time of ignorance
When I was free

[Chorus]

[Solo: Micke]

[Chorus]
