There was a time  
when I didn't have no one  
didn't have no love  
do you remember  
the love we once had  
if I had chance to love you again  
I make your heart forget  
I was ever there  
If we forget the past  
I know this time love will last  
forever, for always, for love

I'm not coming home anymore  
doesn't matter  
and if i had the chance to hold you again I'd  
fill your heart with joy  
and make you remember  
I'm the only one for you, yes I would  
Let's throw the bad memories out  
and make the first day of our  
Forever, For always, For love

I'd be a fool to ever change  
If he says he loves me the way I am  
I'd be a fool to ever change  
If he says he loves the, loves the way I am  
It's gonna be starting here, starting now  
yeah, yeah, yeah  
Forever, For Always, For Love  
(do it for the ones you love)

Forever, For Always, For Love  
( keep it right there, keep it right there)  
Forever, For Always, For Love (x
