Christmas future is far away
Christmas past is past
Christmas present is here today
Bringing joy that will last

Have yourself a merry little Christmas
Let your heart be light
From now on our troubles will be out of sight
Have yourself a merry little Christmas

Make the Yuletide gay
From now on our troubles will be miles away
Here we are as in olden days
Happy golden days of yore

Faithful friends who are dear to us
Gather near to us once more
Through the years we all will be together

If the fates allow
Hang a shining star upon the highest bough
And have yourself a merry little Christmas now

Have yourself a merry little Christmas
Let your heart be light
From now on our troubles will be out of sight
Have yourself a merry little Christmas

Make the Yuletide gay
From now on our troubles will be miles away
Here we are as in olden days
Happy golden days of yore

Faithful friends who are dear to us
Gather near to us once more
Through the years we all will be together

If the fates allow
Hang a shining star upon the highest bough
And have yourself a merry little Christmas now
