You seem
Just like a stranger sometimes
So close
But so far away from me and
I can't find my way into your whole heart

I've tried every way I can
But I don't understand

Why do you run and hide
Your so locked up inside
I can't reach you
I still want to want you tell me why
You hide

I'm not gonna give up on this love
I won't be satisfied just standing
Somewhere on the outside
Looking in

Where do you go
I wish I knew
Just take me there with you

Why do you run and hide
Your so locked up inside
I can't reach you
I still want to want you tell me why
You hide

Don't turn away from me
Can't you ever just let go
And trust this moment
Everytime my arms are open

Why do you run and hide
Your so locked up inside
I can't reach you
I still want to want you tell me why
You hide

You seem
Just like a stranger sometimes
So close
But so far away from me
