Freaky freaky

Do you know
Baby can you show
What it's like to be totally lost in love
Do you know
Baby can you show
How it feels to be lost in love

Sometimes I wonder how it
Feels to be loved from the bottom of your heart
Like I can make ya when you're, you're not around
Don't wanna be apart

I wanna feel my heart skip beats whenever I
Look in deep into your eyes

I don't mind the butterflies, the ones I feel inside
Just gotta have you around

Do you know
Baby can you show
What it's like to be totally lost in love
Baby can you show
How it feels to be lost in love

I know you wanna know how
Good it feels to be held forever with no end
No matter what it takes
Know you can always depend on this

I wanna feel my heart skip beats whenever I
Look deep into your eyes

I don't mind the butterfiles, the ones I feel inside
Just gotta have you around

Do you know
Baby can you show
What it's like to be totally lost in love
Do you know

Baby can you show
How it feels to be lost in love

I wanna feel my heart skip beats whenever I
Look into your eyes
I don't mind the butterflies
Just gotta have you around

Do you now
Baby can you show
What it's like to be totally lost in love
Do you know
Baby can you show
How it feels to be lost in love...
