Ohhh

Yeah, here we go

Riprock a.g.

Bng

Ohhh

Chapter 1 tell 'em how the story goes

(robbie)

Every little thing that you said was true

I believed in you

But it wasn't meant to be

'cause every little thing that you promised me

Wasn't honestly what you said would be, yeah

(daniel)

And I swear you'll never learn

So I'm giving you what you deserve

(all)

What you deserve

Chorus:

You've been living in a fantasy

If you think that you could be with me

You tried, denied.

And now you've got to move on babe

Took a chance when you rolled the dice

Messed around, but you didn't think twice

What's done is done. I want you outta my life

(criss)

Every time the phone rings, it's in your eyes

That you wear a disguise, oh who could it be

(robbie)

Who could it be?

(criss)

How you think you can just take me back

But I'll never go back

To where we used to be

(rina)

And you said you've changed 'cause you cried
But it's time for me to draw the line

(all)

Time for me to draw the line

Chorus

Ohhhh

I want you out of my life

Ohhhh

Riprock a.g.

Bng

I want you out of my life

Chorus 2x
