(1 Ver)

If I could do it
All again
I wouldn't change a thang with you
Cuz I fell in love with
My bestfriend
How did I get so lucky
That's the way it goes
Even though every
Now and Then
Starts fading fast
And we gotta hold on
My heart is in it
Tell the end
So if you start feeling
I'm takin you for granted... You know

(Chorus)

I know illusions about what you mean to me
You are my everything
Sunshine and Moonlight
You are my everything
Promise of every spring
You are my everything
So don't you let nobody try to pull us apart
Cuz you Are (Cuz you Are)
My everthing
From evening to evening
And All that is in between
You are my everything

(2 Ver)

They say that you got it
Tell it's gone
But this love keeps going on and on
Can't even remeber... My before
My heart belongs to you for forever more
I'm just a reflection... Of your love
My heart skip a beat
When you smilin at me
So Babe I must tell you

Your the One (Your the One)
So if you start feeling
I'm takin you for granted... You know

(Chorus)

I know illusions about what you mean to me
You are my everything
Sunshine and Moonlight
You are my everything
Promise of every spring
You are my everything
So don't you let know body try to pull us apart
Cuz you Are (Cuz you Are)
My everthing (My Everthing Baby)
From evening to evening
And All that is in between
You are my everything

(Vamp)

My Everything
You are my everything
You are... You are (You are... You are)
You are my everything...
You are... (You are...)
You are my everything... (Everything Yeah)
You are... You are...
You are my everything...
Yeah...

(Repeat Chorus)

I know illusions about what you mean to me
You are my everything
Sunshine and Moonlight
You are my everything
Promise of every spring
You are my everything
So don't you let know body try to pull us apart
Cuz you Are (Cuz you Are)
My everthing (My Everthing Baby)
From evening to evening
And All that is in between
You are my everything
