Saw a movie it was kind of bad
Who kept talking behind my back
Got a burger and I only ate half
It was one of those days you just gotta laugh

I was walking out when you walked in
With your James Dean glasses and your Elvis pin
I smiled at you and you smiled right back
It was either love at first sight or a heart attack

[Hook:]

Can't stop
Thinking what I'm thinking
Can't stop
Feeling what I'm feeling
Can't stop
Singing what I'm singing
Can't stop
Wanting to be with you

If I said something to him would he turn me down
Or would he be walking next to me right now
I made up my mind if I saw him again

I wouldn't walk away like I did back then

[Hook]

[Bridge:]

Over my shoulder
I can see him
He's calling out to me
As he walks over
My heart is beating
And I know it's meant to be

[Hook]

Saw a movie it was really great
Got a burger finished of my plate

The pin you were wearing you put in my hand
As I'm walking out the door with my James Dean man
