Where are you my sisters?
Where are you my brothers? x2

Hey
People are you ready?
Fighters are you ready?
Dreamers are you ready?
Come on get, get ready
If you're truly ready
Come on get, get ready

'Cause, they could take me up,
Take me down
I don't care
I'm not found
'Cause we don't understand
The meaning of hame baham (x2)

Yeah

He said don't let them fool you
He means the one who rules you
I say you got to seize the power to be free
And I don't mean the money
And I don't mean control
But I mean the power over our heads and our souls

So, people are you ready
We've got nothing to loose
I won't let them rule my dreams
I won't let them tease me
Don't care for temptations
Or the lives they offer
Where are you my sisters
Where are you my brothers

They could take me up,
Take me down
I don't care
I'm not found
'Cause we don't understand

The meaning of hame baham (x8)
