I miss you already ain't been that long  
I feel so neglected when you don't call  
When you're not around I don't feel safe  
It's all wrong, I'm so afraid

[Chorus:]

I wanna be wanted  
Like I want you right now  
I need to be needed  
I wish you could see somehow  
By your love I'm haunted  
Haunted

It scares me to feel this way I do  
I'm over my head over you  
The moon's so full I feel its light  
Without you nothing's right

[Chorus:]

I wanna be wanted  
  
Like I want you right now  
I need to be needed  
I wish you could see somehow  
By your love I'm haunted  
Haunted

In my heart there's an empty place  
In the dark I still see your face  
In my dreams night and day

[Chorus:]

I wanna be wanted  
Like I want you somehow  
I need to be needed  
I wish you could see somehow  
By your love I'm haunted  
Haunted
