I keep loosing my faith
(Don't loose it!)
I keep tryin' again
(Don't let you fall!)
I keep taking the blame
(Don't take it!)
I can't give it away
(It's not your fault!)

You might not know what I mean
(Don't loose It!)
But you know what I believe in
(Don't let you fall!)
I can't give you my cause
(Don't take It!)
I'm just saying because

Invisible rat holes
Invisible
You can't catch them
The guilty are invisible
Invisible
So you can't catch them

(You have it
You're strong enough
You have it
It's in your heart)

They keep turning away
(You have it)
I can't help I'm afraid
(You're strong enough)
Give us power to fight
(You have it)
Oh, I wish we would try
(You have It)

I keep playing my part
All I know is my song
All I'm trying to say is

I can't live their way
I can't live their way
I can't live their way
I can't live their way
I can't live their way

Invisible rat holes
Invisible
You can't catch them
The guilty are invisible
Invisible
I can't catch them (x6)

(And when I play on
And when I play it all falls through me
All is in control)

Who matters and who doesn't?
Who matters?
