There's a powerful light
When I look in your eyes
There's something in me that I can't contain
There's a burning desire
An unquenchable fire
And it's something just I can't explain

[CHORUS:]

I wanna tell you how I feel
What we had was more than real
The more I try, the more I can't find the way
There's nothing that's never been said
Never been written up and read
The way I feel about you
Is more than words can say

Every moment in time
I struggle to find
A way to return what you gave to me
It's a spiritual thing
A heavenly rain
That keeps on falling endlessly

[CHORUS]

If only my heart could talk
It would say it all

[CHORUS]

Can Say
More than words can say
