I woke up in the morning on satuday  
Sweat pants cause I'm chilled today  
Tell myself that I'm okay  
But I lied I'm not okay  
Feelin' like I'm crazy I've  
Fallen for the boy who's superfly  
Don't look don't act like my type  
Maybe that's just what I like

He's always been a friend to me  
I never have to pretend to be  
He makes me crazy I don't know why  
When he's gone it feels like I

[CHORUS:]

I lose myself when I'm around you  
I go crazy, I can't be held  
Held responsible, held responsible but maybe  
I will I won't  
I don't konw that much but baby  
All I know is that I won't be held  
Responsible for how I feel no more  
No more  
No I won't be held responsible

I pull over to a crib in a sixty-nine  
El camino with a silver line  
Got me feelin' that old school style  
Got me feelin' that old school smile  
I can't help when he looks at me  
I never saw him so good to me  
Roll the top down no place to be  
Just laughin' 'bout how we used to be  
Yeah

He's always been a friend to me  
I never have to pretend to be  
He makes me crazy I don't know why  
When he's gone it feels like I

[CHORUS]

The more  
I try to fight the way that I feel  
I fall for you 10 times more  
And now I know that if I stay  
That we've got something worth fighting for

'Cause I lose myself  
I can't be held  
Held responsible  
I will I wont  
I don't know that much but baby  
All I know is that I wont be  
Held responsible

[CHORUS X2]

No no no more  
No no no more  
You know I wont be held responsible no more  
No no no more  
You know I wont be held responsible  
No more
