All my friends are here
this is, the party of the year
i'm not, ever coming down
smiling, faces all around

Everybody, shake what ya got
ready? hold on
no matter what
do a little groove thing
shake what ya got
ready? hold on
no matter what
do a little groove thing
shake it, shake it, shake it, shake it, shake it, shake it
yea

think that, walk off of the wall
times square's about to drop the bomb
Come on jump up scream out loud
make some noise up in this ground

Everybody, shake what ya got
ready? hold on
no matter what
do a little groove thing
shake what ya got
ready? hold on
no matter what
do a little groove thing
shake it, shake it, shake it, shake it, shake it, shake it
yea

All right [hey]
all night [hey]
Let's party like there's no tommorrow
All right [hey]
all night [hey]
no stopping now

Everybody, shake what ya got
ready? hold on

no matter what
do a little groove thing
shake what ya got
ready? hold on
no matter what
do a little groove thing
shake what ya got
ready? hold on
no matter what
do a little groove thing
shake what ya got
ready? hold on
no matter what
do a little groove thing
shake what ya got
ready? hold on
no matter what
do a little groove thing
shake what ya got
ready? hold on
no matter what
do a little groove thing shake yo boobies
fucking shitty
pussy lickin
