One, two, three, four!

It was a night oo what a night  
It was it really was Such a Night  
The moon was bright oh how so bright  
It was it really was such a night  
The night was alight with stars above  
Oo when he kissed me  
I had to fall in love

Oh it was a kiss oo what a kiss  
It was it really was such a kiss  
Oh how he could kiss oh what a kiss  
It was it really was such a kiss  
Just the thought of his lips  
Sets me afire  
I reminisce and I'm filled with desire  
But I'd gave my heart to him  
in sweet surrender  
How well I remember, I'll always remember

Oh, what a night oo what a night  
It was it really was Such a Night  
Came the dawn and my heart and his love  
And the night was gone  
But I'll never forget the kiss  
The kiss in the moonlight  
Oo such a kiss, Such a Night

It was a night oo what a night  
It was it really was Such a Night  
Came the dawn and my heart and his love  
And the night was gone  
But I'll never forget the kiss  
The kiss in the moonlight  
How well I remember, I'll always remember

That night oo what a night  
It was it really was Such a Night  
When we kissed I had to fall in love  
But I'd gave my heart to her  
in sweet surrender

How well I remember, I'll always remember

Oh that night oo what a night  
It was it really was Such a Night  
When we kissed I had to fall in love  
Well he's gone, gone, gone  
Yes he's gone, gone, gone  
Came the dawn, dawn, dawn  
And my love was gone  
But before that dawn  
Yes before that dawn and before that dawn  
Oo, oo, oo, oo, oo  
Such a Night
