Oh my tangerine, though your heart is full, your pocket's clean
(Keep them clean, keep them clean, clean of everything)
And when you're in the city go, as you cross the roads, please make sure
(That you watch the lights and at green you go)
Don't be standing freezed, and over-amazed, of their neon lights
(If you stare, then your head will glow in the night)
Don't forget the wolves, in the forest deep who sing at night

Samuel, Samuel, Samuel, Samuel, don't!
Compare the worst in them,
Samuel, Samuel, Samuel, Samuel, don't!
With the best in you

Samuel, Samuel, Samuel, Samuel, don't!
Don't compare the worst in them,
Samuel, Samuel, Samuel, Samuel, don't!
With the best in you

Only love can change them, change us
Brother Samuel
(Watch the lights and at green you go)
My big brother's going to the city

Don't forget the trees, go and feel the leaves in your hand
(In your hand)
Don't forget to wash and to clean your feet, in the open sea
(And compare, and compare yourself with the sea)
Don't forget the bears, keep their noises inside your head
(Keep them safe, keep them safe, it will keep you sane)
Don't forget the wolves

Samuel, Samuel, Samuel, Samuel, don't!
Compare the worst in them,
Samuel, Samuel, Samuel, Samuel, don't!
With the best in you

Samuel, Samuel, Samuel Samuel, don't!
Don't compare the worst in them,
Samuel, Samuel, Samuel, Samuel, don't!
With the best in you

Only love can change them, change us
Brother Samuel
(Watch the lights and at green you go)
My big brother's going to the city
(If you stare, then your head will glow in the night)
My big brother's going to the city
