wanna walk through the fields
My naked thoughts need a shield
White silver line in my view
God only know if it's true
It's a painful art
Earn the Purple Heart
It's a painful art
But it's true

You're like a - Flower in my garden
So precious to me
You're like a - Flower in my garden
So wild and free
It's like salvation just to see you - All tender but proud
Salvation just to touch you - I can't live without!

You're like a flower in my garden
You're like a flower in my garden
You're like a flower in my garden
You're like a flower in my garden

Travel in my thoughts to my childhood days
Remembering a girl full of tears
Realize that time turn scars into grace
Don't ever need to hold back those years
Cause I'm moving on
Like a rolling stone
Yeah, I'm moving on
Still it's true

You're like a - Flower in my garden
So precious to me
You're like a - Flower in my garden
So wild and free
It's like salvation just to see you - All tender but proud
Salvation just to touch you - I can't live without!

I hear you far away - I hear the sound of laughter
From
I hear you far away - Is it before is it after

Somebody's singing
You're like a - Flower in my garden
So precious to me
You're like a - Flower in my garden
So wild and free
It's like salvation just to see you - All tender but proud
Salvation just to touch you - I can't live without!

You're like a flower in my garden
You're like a flower in my garden
You're like a flower in my garden
You're like a flower in my garden
