I see courage  
When you don't feel brave at all  
The strength you have within can stop your fall.  
I feel magic  
That surrounds every part of you soul  
The love you keep within can make you whole.  
Let me help you  
I am with you tonight.

Chorus:  
You're not alone  
Turn your head, I am walking beside you.  
You're not alone  
I am here just to carry you home.  
A helping hand for you to go on.  
I believe in you even if you don't.  
You're not alone.

I see beauty  
When the flaws are all that you see  
The miracle in you is all you need.  
I feel sorrow  
And your pain seems to cloud every day  
But a healing heart can still show you the way.

Chorus:  
You're not alone  
Turn your head, I am walking beside you.  
You're not alone  
I am here just to carry you home.  
A helping hand for you to go on.  
I believe in you even if you don't.  
You're not alone.

Let me comfort you  
Let me help you through the clouds.  
I am holding you now  
Got your back  
And I'll help you to fight.

Chorus:  
You're not alone

Turn your head, I am walking beside you.  
You're not alone  
I am here just to carry you home.  
A helping hand for you to go on.  
I believe in you even if you don't.  
You're not alone.  
Turn your head, I am walking beside you.  
You're not alone  
I am here just to carry you home.  
A helping hand for you to go on.  
I believe in you even if you don't.  
You're not alone.
