One hour left of feeling alone
One hour left until I get home to a new beginning
Of all the mistakes that I know I've done
Breaking your heart was the biggest one
But tonight that's changing
I'm changing

I was the g-i-irl that got lost
But now I'm ready to be found, yeah ooh
I was the g-i-irl that got lost
I've got my feet back on the ground, yeah
Feel the p-o-ower of dancing, feel the p-o-ower of love
I was the g-i-irl that got lost, but now I'm ready to be
found, yeah

I want my car to take me home fast
I've learned the hard way, accepting the past
And tonight that's changing

I was the g-i-irl that got lost
But now I'm ready to be found, yeah ooh
I was the g-i-irl that got lost
I've got my feet back on the ground, yeah
Feel the p-o-ower of dancing, feel the p-o-ower of love
I was the g-i-irl that got lost, but now I'm ready to be
found, yeah

The girl, the girl, oh oh
The girl, the girl, oh oh
The girl, the girl, oh woh

I was the g-i-irl that got lost
I was the g-i-irl that got lost
But now I'm ready to be found, yeah ooh
I was the g-i-irl that got lost
I've got my feet back on the ground, yeah
Feel the p-o-ower of dancing, feel the p-o-ower of love
I was the g-i-irl that got lost, but now I'm ready to be
found, yeah oh
