

Lamb "Darkness"

Visit "[Darkness](#)" on MotoLyrics.com

I couldn't see darkness until now, only light
Though sometimes shadows flickered across my view

Light

But darkness, this cold emptiness somehow passed
me by
Like a charmed thing I sailed, slipping through its
fingers

Blessed until now
Blessed until now

Only now, only now, only now

And I'm beyond recognition
Gone to some small space in silent stillness

Yet something beats anew somewhere

I'm waiting to be reborn

Only this time, only this time, only this time, only this
time
Born in darkness, none can dim my light

None can dim my light
None can dim my light
None can dim my light
