The River I'm bound to be found in,
A rope chosen bound for the hang.
When I'm blind and I think I see everything,
Convincing myself again.

This god that I worship (a faded reflection).
This demon I blame (a flickering flame).
Conspire as one, exactly the same.
It's exactly the same

Descending,
To never recover the pieces
To all that we've lost.
Recover the pieces lost.
The pieces to all we've lost.

I shudder to think of the consequence,
It's blasphemy simple and true.
The tragic protagonist torments,
Convincing myself again

This god that I worship (a faded reflection).
This demon I blame (a flickering flame).
Conspire as one, exactly the same.
It's exactly the same

Descending,
To never recover the pieces
To all that we've lost.

Descending
To never recover the pieces
To all that we've lost.

Recover
The pieces lost
The pieces
To all we've lost

This god that I worship (a faded reflection).
This demon I blame (a flickering flame).
Conspire as one, exactly the same.

It's exactly the same
It's exactly the same
It's exactly the same
