I knew I'd
Find you out there
Now our story
Can really start

Falling in love
Is only for the brave
So tell me angel how strong
Is your heart?

If you're ready and able
To sit at my table
You'll eat to the full,
Trust in me, forever we'll be
Afraid of no one

If you're ready and able
To sit at my table
You'll eat to the full,
Trust in me, forever we'll be
Afraid of no one

So long
We've been searching
Now our time
Has come
Understanding
What true freedom is
You know our lives
Have just
Begun...

And

If you're ready and able
To sit at my table
You'll eat to the full
Trust in me, forever we'll be
Afraid of no one

If you're ready and able
To sit at my table

You'll eat to the full
Trust in me, forever we'll be
Afraid of no one

Afraid, (afraid)... of no-one
Afraid... of no-one...

(Ooh)
I knew I'd find you out there...
(Ooh)
Now our story can really start
