What kind of fool am I, reaching into a world
I thought might have changed
Somehow rearranged, yet here I am
Stepping into the night, like a keenly sharpened knife
Carving holes in my life, when I know that

What is?
(Ta na na na na)
Just it is
What is?
(Ta na na na na)
Just it is
What is?
(Ta na na na na)
Just it is
What is?
(Ta na na na na)
Just it is

You see I've been somewhere
Not far away, but such a different space
Just to sit in one place, and just when I thought
I could take no more, the bells started to ring
My soul to sing, and I know that

What is?
(Ta na na na na)
Just it is
What is?
(Ta na na na na)
Just it is
What is?
(Ta na na na na)
Just it is
What is?
(Ta na na na na)
Just it is

Chasing the tail of understanding
As it runs through my mind
Chasing the tail of understanding
As it runs through my mind

When I know that

Hmm, oh what is?

(Ta na na na na)

Just it is

What is?

(Ta na na na na)

Just it is

What is?

(Ta na na na na)

Just it is

What is?

(Ta na na na na)

Just it is

Just it is
