Who are you girl?
Who are you boy?
Bet I know what you're up to
Can I come along
Your home number's on the wall
I just had to call, had to
I'm not the only one
Who will run with a knife

Open up your eyes
Open up your room
Open up your arms
One six two seven eight
Two six three seven eight nine
Where's your daddy now
I heard he ran away
Who are you girl?
Cause I'm so bored with myself
Anyway
Any time and any place
I'll just hang around

Open up your eyes
Open up your room
Open up your arms
One six two seven eight
Two six three seven eight nine
Where's your daddy now
I heard he ran away
Who are you girl?
Cause I'm so bored with myself
Anyway
Any time and any place
I'll just hang around

One six two seven eight
Two six three seven eight nine

Open up your eyes
Open up your room
Open up your arms
Open up your door

Open up your eyes
Open up your room
