I'm so afraid
Something is broken now
Too much been said
To wipe it clean somehow

Without
This love
Where will I be

Without
This love
Where will I be

Darkness abounds
Heaviness weighs my heart
'Round and round and round
We've gonna have to be apart

Without
This love
Where will I be

Without
(Gonna have to be)
This love
(Stronger than I've ever been)
Where will I be
(Don't know how to be without you)

Without
This love
Where will I be

Without
(Gonna have to be)
This love
(Stronger than I've ever been)
Where will I be
(Don't know how to be without you)

Without
(Gonna have to be)

This love
(Stronger than I've ever been)
Where will I be
(Don't know how to be without you)

Without
(Gonna have to be)
This love
(Stronger than I've ever been)
Where will I be
(Don't know how to be without you)
