Everything you've ever begged me to be  
Could never have meant any less to me  
Everything you've ever asked me to say  
Is so far away from the truth  
So far away from the truth, so far away

Fake Messiah  
Stitches sewn in your eyes  
Fake Messiah  
Prophecy now denied

Over and over and never again  
Defending your insignificance  
Useless intent hidden behind your back  
A coward's ways, you're not of us  
So far away from the truth, so far away

Fake Messiah  
Stitches sewn in your eyes  
Fake Messiah  
Prophecy now denied  
Fake Messiah  
Open up my eyes wide  
Fake Messiah  
Prophecy now denied, denied

Generation failure  
Suspended in irrelevance

Slit you wide open  
Just to see what you're made of  
Just to see what you're made of  
So far away from the truth

Fake Messiah  
Stitches sewn in your eyes  
Fake Messiah  
Prophecy now denied

Fake Messiah  
Open up my eyes wide  
Fake Messiah

Prophecy now denied

Messiah

Fake Messiah

Fake Messiah
