Whoever appeals to the law against his fellow man is
Either a fool or a coward. Whoever cannot take care of
Himself without that law is both. For a wounded man
shall

Say to his assailant, "If I live I will kill you, If I die you
are forgiven,".

Such is the Rule of Honor.

Broken the paradigm an example must be set.
Invoke the Siren's song and sign the death warrant.
This is what has been wrought for 30 pieces of silver.
The tongues of men and angels bought by a beloved

Betrayer.

I am the result, what's better left unspoken.
Violence begins to mend, what was broken.
You've been talking, I've been all ears.

Words meant to dwell in darkness shall never see the
light

Of day.

Words can be broken so can bones, execute the
mandate.

Mouth full of dirt your name is removed from the
registry.

St. Peter greets with empty eyes then turns and locks
the

Gate.

I am the result, what's better left unspoken.
Violence begins to mend, what was broken.
You've been talking, I've been all ears.
Omerta.

Cheaply venal, stupidly verbose.
A slip of the tongue, a slit of the throat.
Six feet under with no marker.
Keep my name from your mouth forever.
Free speech for the living, dead men tell no tales.

Your laughing finger, will never point again.
Omerta.
Omerta.
Sing for me now.
