

Lamb Of God "Pathetic"

Somewhere between an excuse and a lie
You found something that you believe
So proud, I guess I can't imagine why..
Three cheers for what we used to be
Pathetic
Wasted
Souless
Compromised

Sleep-walking the mine field
Shit talking, it crumbles around you
It comes back around (comes back around)

Somewhere between illusion and denial
You drown in your own sympathy
Profound, at least I thought so at the time
A ghost of who you used to be

Pathetic
Wasted
Souless
Compromised

Sleep-walking the mine field
Shit talking, it crumbles around you
It comes back around
It comes back around

Sleep-walking in a mine field
Shit talking, it crumbles around you
It comes back around

Pathetic
Wasted
Souless
Compromised (x8)
