Why the fuck is he poor?
Jj the whore.
Why the fuck does he not have a home?
He needs a comb
That fucker is too poor to own a clock
So he sucks the cock
He does for free
Just to drink up the pee
He walks too slow
When he's on the go
To another town
He got hit with a coin
Then bit Dom's groin
Jj the whore
He met with Elliot to smoke some pot

But he can't afford to get caught
So he went to beg
But tripped on his leg
Jj the whore
He went to Payless
But had no success
This dreadful song made him cower
Ever minute, ever hour
Jj Mellow needs a shower.
