Pray for blood  
Pray for the cleansing  
Pray for the flood  
Pray for the end of this nightmare  
This lie of a life can as quickly as it came dissolve

We seek only reprieve  
And welcome the darkness  
The myth of a meaning, so lost and forgotten

Take hold of my hand  
For you are no longer alone  
Walk with me in hell

Pray for solace  
Pray for resolve  
Pray for a savior  
Pray for deliverance  
Some kind of purpose, a glimpse of a light in this void  
of existence

Whooaaa...  
Now witness the end of an age  
Hope dies in hands of believers  
Who seek the truth in the liar's eyes

Take hold of my hand  
For you are no longer alone  
Walk with me in hell

Walk with me in hell  
Walk with me in hell  
Walk with me in hell  
Walk with me in hell  
Walk with me in hell

Take hold of my hand  
For you are no longer alone  
Walk with me in hell

Walk with me in hell  
Walk with me in hell

You're never alone  
You're never alone  
You're never alone

You're never alone  
You're never alone  
Walk with me in hell
