You can't come to the rescue  
You can't come to the phone  
You can't come to the party  
You can't come to my home

Come on, come on, come on, come on, now  
Come on, come on, come on, come on, now  
Come on, come on, come on, come on, now  
Come on, come on, come on, come on, now

You can't come to the service  
You can't come to my aid  
You can't come to the meeting  
You can't come on my parade

Come on, come on, come on, come on, now  
Come on, come on, come on, come on, now  
Come on, come on, come on, come on, now  
Come on, come on, come on, come on, now

You can't come for a while  
You can't come till you're through  
You can't come for the weekend  
You can't come though you do

Come on, come on, come on, come on, now  
Come on, come on, come on, come on, now  
Come on, come on, come on, come on, now  
Come on, come on, come on, come on, now

You can't come to the airport  
You can't come on a bus  
You can't come in a year  
You can't come between us

Come on, come on, come on, come on, now  
Come on, come on, come on, come on, now  
Come on, come on, come on, come on, now  
Come on, come on, come on, come on, now
