This was their last night on the continent  
The production was shutting down  
Drinks and good eyes were at all ground  
The wine tasted like sunshine in the basement.

Chorus:

The... starts itself  
Looks like water comes form somewhere else  
And I can use a thing or two to dig

Sometimes I find things on the street  
Exchange the... wounds for something we can need  
You can find me on the stadium  
Along the corners of a burning river

Chorus:

The... starts itself  
Looks like water comes form somewhere else  
And I can use a thing or two to dig

Oh yeah, oh yeah, oh yeah  
And they're all outside...  
And I can get along with something...
